Dr. Dave Alciatore, PhD, is a PBI Master Instructor and author of the innovative book and website: *The Illustrated Principles of Pool and Billiards*, and co-author of the *Video Encyclopedia, How to Aim Pool Shots*, and *Billiard University* series. He's also a long-time *Billiards Digest* columnist and the foremost authority on the game's technical aspects.

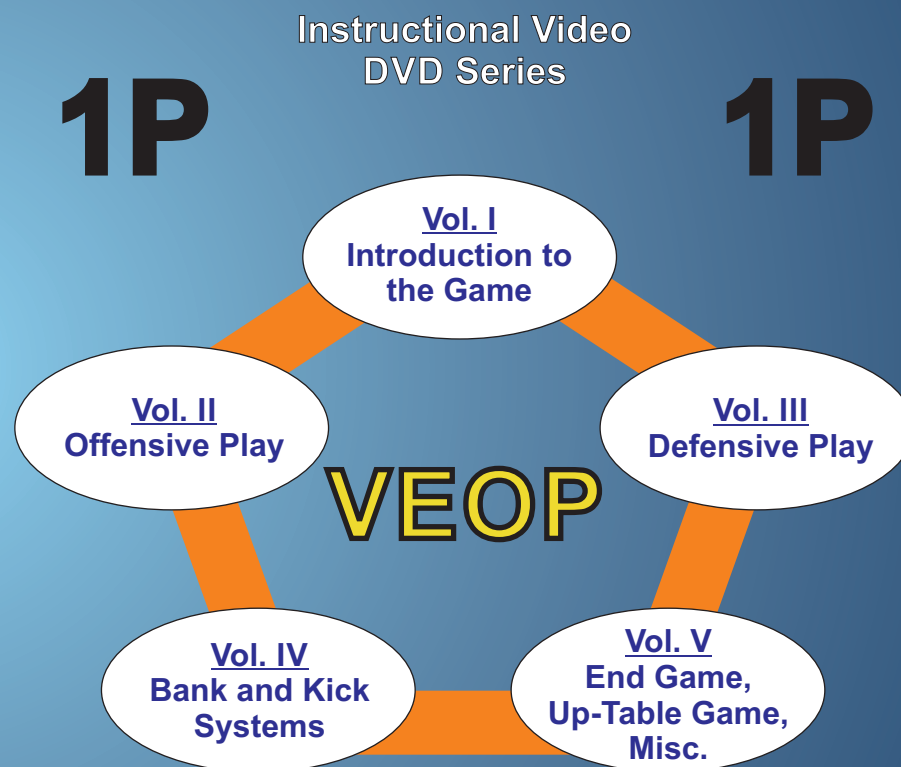

Bob Jewett has been an instructional author, coach, and referee for over 45 years. He has written over 500 instructional articles for *Billiards Digest* and *On The Break News*. He is also a solid player, being a past ACUI collegiate champion. Bob is a leading authority on all aspects of the game and has been very active in the pool community.
